

Doroshow opens law office in Bear

BEAR — The Law Office of Doroshow and Pasquale has just opened Bear's first law office on U.S. 40 in the Fairwinds Shopping Center.

In 1978, Doroshow opened Delaware's first "legal clinic" on Kirkwood Highway and he became the first Delaware lawyer to advertise. Since that time, the firm has served over 20,000 persons in five offices.

"Our new office in Bear will serve the needs of an exploding population along the Route 40 corridor. Many of these persons need legal services but are not sure where to turn," Doroshow said.

Doroshow and associate Ruth Parks will see clients in the new Bear office.

So far, the single biggest service requested by area residents is bankruptcy. "Middle income persons are still being hurt by the recession. Sometimes, bankruptcy is the only way out for these clients," Doroshow said. 10/18/92
